

## Course Selection Steps

- ◇ Review the Educational Planning Guide and the Course Selection List.
- ◇ Choose your courses for the fall and spring semesters.
- ◇ Discuss options and courses with your parents.
- ◇ Select one course from each of the 4 core subjects: **English, Math, Science, and Social Studies** and add onto your Course Selection Card.
- ◇ List elective courses in order of preference.
- ◇ Make sure you have 7 credits.
- ◇ List four alternate electives in order of preference.
- ◇ Meet all application deadlines.
- ◇ Notify the Counselor prior to the first day of class if prerequisites have not been met. Counselors will verify your selections with your four-year plan.

***Choose your courses carefully. You are making a commitment to your course selections for the entire year.***

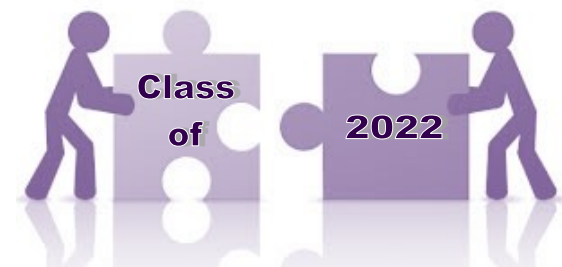

## Clear Creek ISD Freshmen Course Selection

**2018 - 2019**

## Under Construction

## Dear CCISD Eighth Graders,

What an exciting time this is for you to be entering high school, as Clear Creek ISD offers all five Endorsements under the Foundation High School Program.

Endorsement programs include STEM (science, technology, engineering, and math), Business and Industry, Arts and Humanities, Public Services, and Multidisciplinary Studies. Each eighth grader will use the course selection process to select an Endorsement and then choose from an array of curricular and elective options to build a class schedule for next year.

As you plan for the future, know that Performance Acknowledgements may be earned through a variety of measures. If you pursue the Distinguished Level of Achievement Diploma and rank in the top 10% by the fall semester of your senior year, you will be eligible for automatic admission to most Texas public universities.

We look forward to serving you as you embark on your high school journey!

Sincerely,  
CCISD High School Counselors
